“In a society where youth is so highly prized, older men and women need to know that their wisdom and experience are also important to their fellow citizens. Their contributions are one of our nation's most valuable assets—a resource that should be celebrated by every generation of Americans.”
— President Lyndon B. Johnson

“Even in the poorest neighborhoods you can find a geranium in a coffee can, a window box set against the scaling side of a tenement, a border of roses struggling to live in a tiny patch of open ground. Where flowers bloom, so does hope.”
— Lady Bird Johnson
